PROGRAM DETAILS

The [Speed Skating Canada Awards Program](#) is presented annually to deserving individuals in a number of categories. The awards recognize significant contributions and achievements by some of our sport's most dedicated stakeholders – from athletes and coaches, to officials, volunteers and partners.

Nomination Process

Nominations for all awards can be completed by filling out this [online form](#).

For ease of reference, the questions to be answered for each award can be found in this document, while a list of previous recipients for each award can be downloaded [here](#).

All nominations are due by midnight EST on Friday, May 22.

Selection Process

A panel consisting of the following individuals will be responsible for reviewing all nominations and selecting recipients for each award:

- Speed Skating Canada President
- Speed Skating Canada Chief Executive Officer
- Speed Skating Canada Chief Sport Officer
- PTSO Representative
- Club Representative

SSC Committees (Sport Development, High Performance) will have the opportunity to submit recommendations to the selection panel for awards within their respective areas.

Award Presentation

Awards are typically presented during an Awards Gala held in conjunction with the SSC AGM & Congress. Given the uncertainty surrounding the COVID-19 outbreak, SSC made the decision to cancel the Congress and Awards Gala scheduled for June 2020 in Ottawa. As a result, we had to find an alternative way to present awards to the winning recipients that maintained the same level of prestige and recognition of their accomplishments.

For 2019-2020, the awards winners will be announced virtually this summer and the awards will be presented in-person to recipients during ceremonies at the ISU World Cup Short Track in Montreal (November 6-8) and ISU World Cup Speed Skating in Calgary (December 11-13).

For select awards recipients, as indicated in this document, SSC will cover travel and accommodations costs to attend the World Cup **closest to the city where they reside**. This includes transportation to and from either Montreal or Calgary, along with a hotel room for one night. SSC will also provide a set number of VIP tickets to the event. Additional details on what each winner receives can be found in the award descriptions below.
