## **November 2012**

### **HIGH PERFORMANCE BULLETINS**

The High Performance Committee – Short Track (HPCST) will issue bulletins periodically throughout the season informing skaters, coaches and associations of any update and/or changes to selection criteria, competitions, etc.

The HPCST reserves the right to modify or change the enclosed policies in the event that exceptional circumstances arise and that any such changes are clearly in the best interest of the high performance program. In these situations all athletes and coaches will be advised of any changes as soon as they are confirmed by the HPCST.

# **2012 / 13 Short Track Selection Criteria**

## **General Information**

### **Notification**

All athletes selected to the World Championships team must confirm in writing to the Short Track Program Director whether they will compete by January 27<sup>th</sup>, 2013 .

### **Selection Procedures**

All athletes must meet the specific standards for each competition as set by the ISU and SSC to be eligible to compete. Speed Skating Canada will then select athletes for each event as outlined herein in the section pertaining to the applicable competition and in accordance with the General Intent of Selections (see below).

### **General Intent of Selections**

#### **Overall Objective**

The objective of the team selection policy is to prepare and select the Canadian team that meets the identified goal(s) for each competition, according to the program objectives for each season of the Olympic cycle. All team nominations throughout the 2012-13 competition season ultimately serve to prepare athletes so that the best team possible will be selected to represent Canada at the 2013 World Short Track Championships, the most important annual competition. The HPCST has determined that in this third year of the quadrennial leading up to the 2014 Olympic Games the same philosophy applies to selection for the World cup teams.

#### **Sequence of decisions for team selection**

A step-by-step process of team selection has been defined by the HPCST for each competition and can be found within the corresponding section herein.

#### **Bye**

An athlete may apply for a Bye to obtain a place on a specific Team or entry to the field of a competition in accordance with Appendix A. A Bye provides the opportunity to be selected to a Team for an athlete who, due to exceptional circumstances and through no fault of his/her own, is unable to qualify for the team through the normal selection competition(s) or selection process. The basic philosophy for granting a Bye is that the athlete being given the Bye has demonstrated superior performance in previous competitions as described in The Bye point policy.

#### **Discretionary Selection**

Discretionary selection provides the HPCST an opportunity to select an athlete or athletes to a Team who, based upon analysis of past performances and the profile of the team being created, is best able to assist SSC in achieving the Overall Objective. The specifics of the discretionary selection are listed in the Team composition section for the World Short Track Championships.

#### **Naming of Teams**

Once the HPCST has finalized the teams, SSC will formally announce the selections by posting the team list on the SSC website. Every effort will be made to ensure that this occurs within 7 days of the selection competition; however, for the World Championship team, the HPCST reserves the right to delay announcement of the skater chosen by discretionary selection and the athlete participating in the individual distances until the return of the Team from World Cup 6. This opportunity will provide the HPCST with greater performance evidence if required to finalize the decision in order to ensure that the best Team is selected.

For each Team, the HPCST will name an alternate athlete in the event that a replacement is required. Such a selection will be at the sole discretion of the HPCST.

### **Replacement of Skaters**

At any time, the HPCST reserves the right to replace an athlete if medical advice dictates that competing in the event may be potentially injurious to the selected athlete or that the athlete has not sufficiently recovered from a previous or existing injury.

If an athlete who is named to a team withdraws or declines his/her position on the Team prior to departure for the competition, he/she will be replaced by the alternate.

If an athlete who is named to a Team is injured or becomes ill following departure for the competition, or series of competitions, the HPCST will determine whether he/she will be replaced by the alternate.

# 2013 World Short Track Championships selection process

## Eligibility:

ISU determines the eligibility of Canada to submit entries for this Championship.

## Team composition:

The 2013 World Short Track Championships Team will be composed of 5 women and 5 men.

## Sequence of decisions and team selection criteria: World Championships

The following selection criteria will be based on a combination of cumulative overall ranking results from the Canadian Open Championships (80%) and overall ranking results from the Fall World Cup Selection (20%).

**Special consideration :** Athletes finishing in the top 5 overall at the Canadian Open Championships, but not in the top 5 overall combined ranking of the Canadian Open Championships and Fall World Cup Selections and who did not compete and/or achieve a full ranking in the Fall World Cup Selections will be in the pool of athletes to be considered for the discretionary position for the 5th position of the World Championship Team as well as the alternate position for the event.

Step 1 Select **top 3** athletes based on combined ranking as described in the previous paragraph.

If a tie in points exists, the athlete with the higher cumulative overall ranking prior to the 3000m, including only the 500m, 1000m and 1500m distances of the Canadian Open Championships will be ranked higher.

Step 2 **If a request has been made for a bye**, the Bye Point System will be used for head-to-head comparison of athletes. (refer to the Bye Point Policy - Appendix A). The Bye Point System will determine the placement of the athlete and consequently the adjusted final selection ranking. The athlete in the 4<sup>th</sup> position of this adjusted final combined ranking will be selected to the Team.

**If no request for a bye has been made, or if a request or requests have been made but have not placed the athlete requesting the bye within the top 4 athletes of the adjusted final selection ranking then** the athlete in the 4<sup>th</sup> position of the combined rankings will be selected to the Team.

If a tie in points exists, the athlete with the higher cumulative overall ranking prior to the 3000m, including only the 500m, 1000m and 1500m distances will be ranked higher.

Step 3 The HPCST, in consultation with the National Team coaches, will select the athlete for the remaining 5<sup>th</sup> position according to the guidelines immediately following for discretionary selections. The discretionary selection will be limited to athletes placed in positions 5 through 9 within the adjusted final combined ranking which may include athletes placed through the application of the Bye Point System. Should selection of the discretionary

position be delayed until the return of the team from World Cup 6, only those who participated in World Cup 5 and 6 will be eligible for selection. The athlete who is not selected to the World Championships team will serve as the alternate.

In order to meet the overall objective of Team selections the following elements will be reviewed. As the discretionary position is primarily to select the best Team member for the relay events, the National Team coaches' assessment will cover the following elements:

- International relay performances & experience
- International performances & experience
- National performances
- Training performance
- Readiness for competition
- Team dynamics
- Commitment to the training program
- Medical and health status
- Long-term athlete development

Competition performances will be defined as performance in competition within the past 12 months. When performances from the past 12 months are not sufficient to enable a fair comparison and evaluation between athletes, competitions from beyond this period may be considered at the discretion of the HPSTC.

### **Individual distances**

The full quota to skate individual distances at the World Short Track Championships from the ISU is 3 men and 3 women. The top 2 men & women identified in Step 1 (above) will automatically be entered for the individual distances at the World Championship competition.

The remaining individual distance entry will be determined at the absolute discretion of the HPSTC from amongst the remaining team members as only the top 2 athletes identified in Step 1 will be automatically entered to skate the individual distances at the World Championships competition.

In order to meet the overall objective of Team selections for the individual distances the national team coaches' assessment will cover the following elements:

- Potential for Podium performances
- International performances & experience
- National performances
- Training performance
- Readiness for competition
- Team dynamics
- Commitment to the training program
- Medical and health status
- Long-term athlete development

### **Relay**

All 5 Team members will be eligible to compete in the relay; however, the National Team coach at the World Championships will determine the composition of the relay Team for each round of competition.

### **Performance issue**

If an athlete's training performances are clearly inferior to the performances that earned him/her selection to the World Short Track Championships Team, the HPCST may make the decision to replace this athlete with the alternate.

## **2013 Winter World Cups 5 and 6 selection process**

For World Cups 5 and 6, the Team will be selected on the basis of results at the Canadian Open Championships and HPCST discretion as follows.

## **Team Composition**

The Team will be composed of 6 athletes per gender.

## **Sequence of decisions and team selection criteria: World Cups 5 & 6**

Step 1 Select the 4 athletes chosen in step 1 and 2 for the World Championships Team.

Step 2 **If all 5 athletes for the World Championships team have been announced:**  
Select 5<sup>th</sup> athlete on World Championships team and the designated alternate for that competition to the team for World Cup 5 and 6.

**If only 4 athletes for the World Championships team have been announced:**  
Select 2 athletes among those in contention for the discretionary position on the World Championships team (according to Step 3 of the Sequence of decisions and team selection criteria for World Championships).

## **Individual distances**

The top 3 male athletes and top 3 female athletes identified in Step 1 above, in consultation with the National Team coaches will have preference as to their entry in individual distances at the World Cup 5 & 6 competitions.

The remaining individual distance entries will be determined on the basis of individual needs for the athletes' preparation for the World Championships and will be made by the National Team coach at the respective World Cup competitions.

# 2012 – 2013 National Competitions / Canadian Open

## General information

- a) In order to compete in these events skaters must be Canadian citizens, registered members of Speed Skating Canada and eligible to represent Canada in international competition. The competitions will be held on the ISU 111.12m oval track. The racing rules of SSC, and where applicable, the ISU will be used. Exceptions to the rules for the purpose of selecting the World Championship and World Cup Teams are noted in the 2012/13 Competition Format section of this Bulletin.
- b) Skaters must have reached the age of 15 before July 1, 2012 to compete in these events as they are selection races for senior international competitions (ISU Rule 108).
- c) **PLEASE NOTE** All skaters are required to wear cut resistant clothing (undergarment or racing suit) that meets the ISU standards as described in ISU Communication 1265.
- d) Skaters qualify for these National Team Selection events as follows:

## Canadian Open Championships (Montreal, QC, January 18 - 20, 2013)

The Canadian Open Championships will have a maximum of 32 entries. Skaters originally eligible for entry to and any replacement skaters who competed at the Fall World Cup Selections will be automatically eligible to compete.

The remaining skaters will be selected based on overall ranking from the National Qualifier competition.

If any skater from the Fall World Cup Selections is unable to compete at the Canadian Open Championships, the resulting positions will be added to those available through the National Qualifier.

## National Team Selections #2: (Montreal, QC, March 1 -3 , 2013)

The National Team Selection #2 will have a maximum of 24 entries. Skaters ranked 1 to 24 following the Canadian Open Championships (excluding the World Championship Team) will be automatically qualified for entry to National Team Selections #2 (subject to Bye requests).

## Confirmation of Entries

Skaters are **required to confirm their intent to participate in writing** to Speed Skating Canada by:

Confirmation deadline	Competition	Publication date of final entry list
January 4 <sup>th</sup> , 2013	Canadian Open Championships	January 7 <sup>th</sup> , 2013
February 15 <sup>th</sup> , 2013	National Team Selections #2	February 18, 2013

**PLEASE NOTE:** Positions **NOT confirmed by the deadline** will be allocated to the next ranked eligible skater.

If an athlete enters and is then forced to withdraw due to illness, injury etc., the resulting available position at the end of the entry list will automatically be offered to the next eligible athlete. If the withdrawal is made within seven (7) days of the event, the HPCST may decide that only the next eligible athlete in the ranking list will be offered the vacant position. However, the HPCST reserves the right to evaluate any additional replacements after the first alternate athlete as necessary in the best interest of the competition.

### **National Team Uniforms**

During an event sanctioned by Speed Skating Canada the athletes must not wear a competition uniform (skin suit) identified as belonging to a national team or to another country, unless he or she belongs to that team or country at the time of the competition. (SSC Rule N1-106).

In addition, no Speed Skating Canada National or Development Team skin suits from a previous season are permitted to be worn by any skater during Fall World Cup Selections, Canadian Open Championships, National Team Selections #2, Canadian Junior Championships or National Qualifier unless authorized by Speed Skating Canada.

### **Canadian Ranking Points**

Canadian Ranking Points are allocated according to the final rankings per distance for each of Canadian Open Championships and National Team Selections #2.

Canadian Ranking Points will be used to select teams for competitions and determine a final season ranking to select athletes for the National and Development Teams for the following season. (see specific selection criteria for each team). Final placing in a particular distance is determined on the basis of the final in which a skater competes and their finish position in that final.

Canadian Ranking Points are then allocated on the final ranking in each distance from Canadian Open Championships and National Team Selections #2 as follows:

### **Canadian Open Championships and National Team Selections #2 (500m, 1000m, 1500m)**

<b>Place</b>	<b>pts</b>	<b>Place</b>	<b>pts</b>	<b>Place</b>	<b>pts</b>	<b>Place</b>	<b>pts</b>
<b>1</b>	1000	<b>9</b>	196	<b>17</b>	37	<b>25</b>	5
<b>2</b>	816	<b>10</b>	160	<b>18</b>	30	<b>26</b>	4

<b>7</b>	148	<b>15</b>	29
<b>8</b>	121	<b>16</b>	23

### Special Racing Rules:

#### Penalties, failure to finish, scratches:

In case of penalty, failure to finish due to infraction, or scratches, the following rules will apply:

1. Penalized skaters will receive the last place rank and seeding points in that race and be placed directly into the lowest bracket/race in the next round.
2. Skaters who drop out before a race will receive the last place position, behind any skaters who might subsequently fail to finish due to infraction or penalization and receive the seeding points according to the final order in that distance. For the 3000m, any skater who has dropped out before this distance will maintain their cumulative ranking and therefore seeding into the appropriate 3000m heat. If this athlete does not skate the 3000m, the heat will remain unchanged. The skater who dropped out will receive the last place position behind any skaters who might subsequently fail to finish due to infraction or penalization and receive the points according to the final order in that distance.
3. Skaters who withdraw before the distance will receive no Ranking points for that distance and the distance will be re-seeded
4. Skaters who withdraw from a distance are permitted to continue in the competition for any subsequent distances.
5. A skater who has not finished the race because of an infraction by another skater will receive their position ahead of any penalized skaters.
6. An athlete who does not finish a race will not be allowed to start the following round of the distance unless an advancement is warranted according to the ISU World Cup procedures or Special Rules Exception.
7. In special circumstances where an athlete is not able to finish a race as a result of a fall, the referee in consultation with the High Performance Jury (High Performance Committee Chair and/or High Performance elected members in attendance and National Short Track Program Director) may decide to advance the athlete to the next round or to authorize the athlete to restart to ensure the most fair allocation of final ranking points.
8. In special circumstances where an athlete is not able to finish a race as a result of equipment failure/breakage during a race, this must be reported to and verified by the race referee immediately following the race in which the equipment breakage occurred. The athlete will be advanced in the lower bracket of the next round and permitted to continue in the distance.
9. Advancement will be in accordance with the ISU World Cup procedures. In brief, advanced skaters will receive seeding points as per their finish in the race from which they were advanced, and will be seeded into the next round of racing on the basis of these seeding

points. Advanced skaters will not be seeded in any specified order; instead, their ranking after the previous round will determine which race they are seeded into for the subsequent round.

## ***2012 / 13 Competition Format***

### ***Canadian Open Championships & National Selection #2***

#### **1. Competition format: Canadian Open Championships**

The format for these competitions is as follows:

Day 1: 1500m

Day 2: 500m

Day 3: 1000m, 3000m, 3000m relay women, 5000m relay men

#### **Seeding for first round**

##### **1500m**

For those skaters who earned an automatic entry by competing in the Fall World Cup Selections, seeding for the first round of the 1500m distance will be made on the basis of the skater's 1500m ranking position at the 2012 Fall World Cup Selections. In the event of a tie, the skater with the best time will be placed higher in the ranking.

Skaters who earned a position through the 2012 National Qualifier will be seeded for the first round of the 1500m distance on the basis of their overall ranking from the National Qualifier competition, below those who earned automatic entries from the Fall World Cup Selections. In the event of a tie, the skater with the best time will be placed higher in the ranking.

##### **500m**

The seeding for the first round of the 500m distance will be made on the basis of the average of the skater's ranking position in the 500m at the 2012 Fall World Cup Selections and their ranking in the 1500m at the 2013 Canadian Open Championship. In the event of a tie, the skater with the best time in the 500m event will be placed higher in the ranking.

Skaters who earned a position through the National Qualifier will be seeded for the first round of the 500m distance on the basis of the average of their overall ranking from the 2012 National Qualifier competition and their ranking in the 1500m of the 2013 Canadian Open Championship. In the event of a tie, the skater with the best time in the 500m event will be placed higher in the ranking.

##### **1000m**

For all skaters, seeding for the first round of the 1000m will be made on the basis of the cumulative ranking from the 1500m and 500m distances at the 2013 Canadian Open Championships. In the event of a tie, the skater with the best total time from the 1500m and 500m will be placed higher in the ranking.

**PLEASE NOTE:** the HPCST reserves the right to adjust seedings for all competitions to ensure the most fair and appropriate racing conditions for athletes who do not have a 2011 / 12 Canadian ranking or were not able to participate in all National Selection competitions from the 2011 / 12 and 2012 / 13 seasons.

### Seedings for Quarter-finals and Semi-finals

Seeding for the semi-finals in the 1500m, and for the quarter-finals and semi-finals in the 500m and 1000m distances will be done on the basis of a ranking derived from seeding points awarded in the heats (for the 1500m) and heats and quarter-finals (for the 500m and 1000m) as described below.

Ties in seeding points will be broken by referring to the placing and then times skated in the previous round of racing; the highest placing and then fastest time among those tied in seeding points will be seeded highest and so on.

If there is still a tie then the skater with the highest original seeding for the distance will be seeded highest and so on. Any further ties will be broken by a coin toss.

Placing in previous round:	<u>1<sup>st</sup></u>	<u>2<sup>nd</sup></u>	<u>3<sup>rd</sup></u>	<u>4<sup>th</sup></u>	<u>5<sup>th</sup></u>	<u>6<sup>th</sup></u>	<u>7<sup>th</sup></u>	<u>8<sup>th</sup></u>
Seeding points	34	21	13	8	5	3	2	1

### Lane Positions

**PLEASE NOTE** lane positions will be determined as per ISU rule 296. For the first qualifying round of a distance lane positions will be drawn by the Competitor Steward. For each subsequent round the lane position will be decided by the times skated in the preceding qualifying round. Skaters will be assigned lane positions from the inside of the track to the outside in the order of their times commencing with the fastest time.

### Composition of the Heats (1500m)

	1500m Heats					
Distance seeding	A	B	C	D	E	F
	1	2	3	4	5	6
	12	11	10	9	8	7
	13	14	15	16	17	18
	24	23	22	21	20	19
	25	26	27	28	29	30
					32	31

If starting numbers are reduced from 32, the High Performance Jury (High Performance Committee Chair and/or High Performance elected members in attendance and Short Track Program Director) will determine the most suitable number of heats to ensure the fairest racing conditions.

## **Composition of Semi-finals (1500m)**

### **Top Bracket**

The top 3 skaters from each of the 6 heats will be placed into the top bracket (final ranks 1-18) and seeded into 3 semi-finals (A, B, C) as described above.

### **Bottom Bracket**

The remaining skaters from each of the 6 heats will be placed into the bottom bracket (final ranks 19-32) and seeded into 2 semi-finals (D, E) as described above.

### **Semi-Finals 1500m**

		Semi-finals top bracket			Semi-finals bottom bracket	
		A	B	C	D	E
Rank from 1 <sup>st</sup> round	1	2	3		19	20
	6	5	4		22	21
	7	8	9		23	24
	12	11	10		26	25
	13	14	15		27	28
	18	17	16		30	29
					31	32

## **Composition of Finals (1500m)**

Final A: 1<sup>st</sup> and 2<sup>nd</sup> of Semis A, B and C

Final B: 3<sup>rd</sup> and 4<sup>th</sup> of Semis A, B and C

Final C: Remaining skaters from Semis A, B and C

Final D: 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> from Semis D and E, + fastest 4<sup>th</sup> from semis D and E (7 skaters)

Final E: Remaining skaters from Semis D and E

## **Composition of Heats (500m and 1000m)**

		500m and 1000m Heats							
		A	B	C	D	E	F	G	H
Distance seeding	1	2	3	4	5	6	7	8	
	16	15	14	13	12	11	10	9	
	17	18	19	20	21	22	23	24	
	32	31	30	29	28	27	26	25	

If starting numbers are reduced from 32, the High Performance Jury (High Performance Committee Chair and/or High Performance elected members in attendance and Short Track Program Director) will determine the most suitable number of heats to ensure the fairest racing conditions.

## **Composition of Quarter- finals (500m and 1000m)**

### **Top Bracket**

The top 2 skaters from each of the 8 heats will be placed into the top bracket (final ranks 1-16 or lower depending on the number of advancements in the heats) and seeded into 4 quarter-finals (A, B, C, D) as described above.

### Bottom Bracket

The remaining skaters from each of the 8 heats will be placed into the bottom bracket (final ranks 17-32) and seeded into 4 quarter-finals (E, F G, H) as described above.

### Quarter-finals 500m and 1000m

	Quarter-finals top bracket				Quarter-finals bottom bracket			
	A	B	C	D	E	F	G	H
Rank from 1 <sup>st</sup> round	1	2	3	4	17	18	19	20
	8	7	6	5	24	23	22	21
	9	10	11	12	25	26	27	28
	16	15	14	13	32	31	30	29

### Composition of Semi-Finals (500m and 1000m)

#### Top Bracket

The top 2 skaters from each of the 4 top bracket quarter-finals will be seeded into the top 2 semi-finals (A, B; final ranks 1-8 or lower depending on the number of advancements in the quarter-finals) as described above.

The remaining skaters from each of the 4 top bracket quarter-finals will be seeded into the next 2 semi-finals (C, D; final ranks 9-16 or lower depending on the number of advancements in the heats and quarter-finals) as described above.

#### Bottom Bracket

The top 2 skaters from each of the 4 bottom bracket quarter-finals will be seeded into the top 2 bottom bracket semi-finals (E, F; final ranks 17-24) as described above.

The remaining skaters from each of the 4 bottom bracket quarter-finals will be seeded into the last 2 semi-finals (G, H; final ranks 25-32) as described above.

### Semi finals 500m and 1000m

	Semi - finals top bracket				Semi - finals bottom bracket			
	A	B	C	D	E	F	G	H
Rank from quarter finals	1	2	9	10	17	18	25	26
	4	3	12	11	20	19	28	27
	5	6	13	14	21	22	29	30
	8	7	16	15	24	23	32	31

### Composition of Finals (500m and 1000m)

Final A: 1<sup>st</sup> and 2<sup>nd</sup> skaters from Semis A and B  
Final B: Remaining skaters from Semis A and B  
Final C: 1<sup>st</sup> and 2<sup>nd</sup> skaters from Semis C and D  
Final D: Remaining skaters from Semis C and D  
Final E: 1<sup>st</sup> and 2<sup>nd</sup> skaters from Semis E and F  
Final F: Remaining skaters from Semis E and F

Final G: 1<sup>st</sup> and 2<sup>nd</sup> skaters from Semis G and H  
Final H: Remaining skaters from Semis G and H

If there are more than 6 skaters in Final D, a Final D-2 will be held containing the 5<sup>th</sup> and 6<sup>th</sup> place finishers from Semi-finals C and D. This is to prevent too many skaters in Final D, a situation that could arise if there are numerous advancements into the top bracket in the heats and quarterfinals. In the case where a Final D-2 is held, the points for Finals E-H will be adjusted downwards to account for the extra skaters in Final D-2.

### **Composition of relay teams**

The top 12 ranked skaters overall will be eligible to compete in the relay event as well as the members of the World Junior Championships Team. If any of the top 12 ranked skaters or members of the World Junior Championships Team are unable to participate, the relay teams will be filled by going down the ranking list after position 12.

The relay teams will be composed on the basis of rankings as follows:

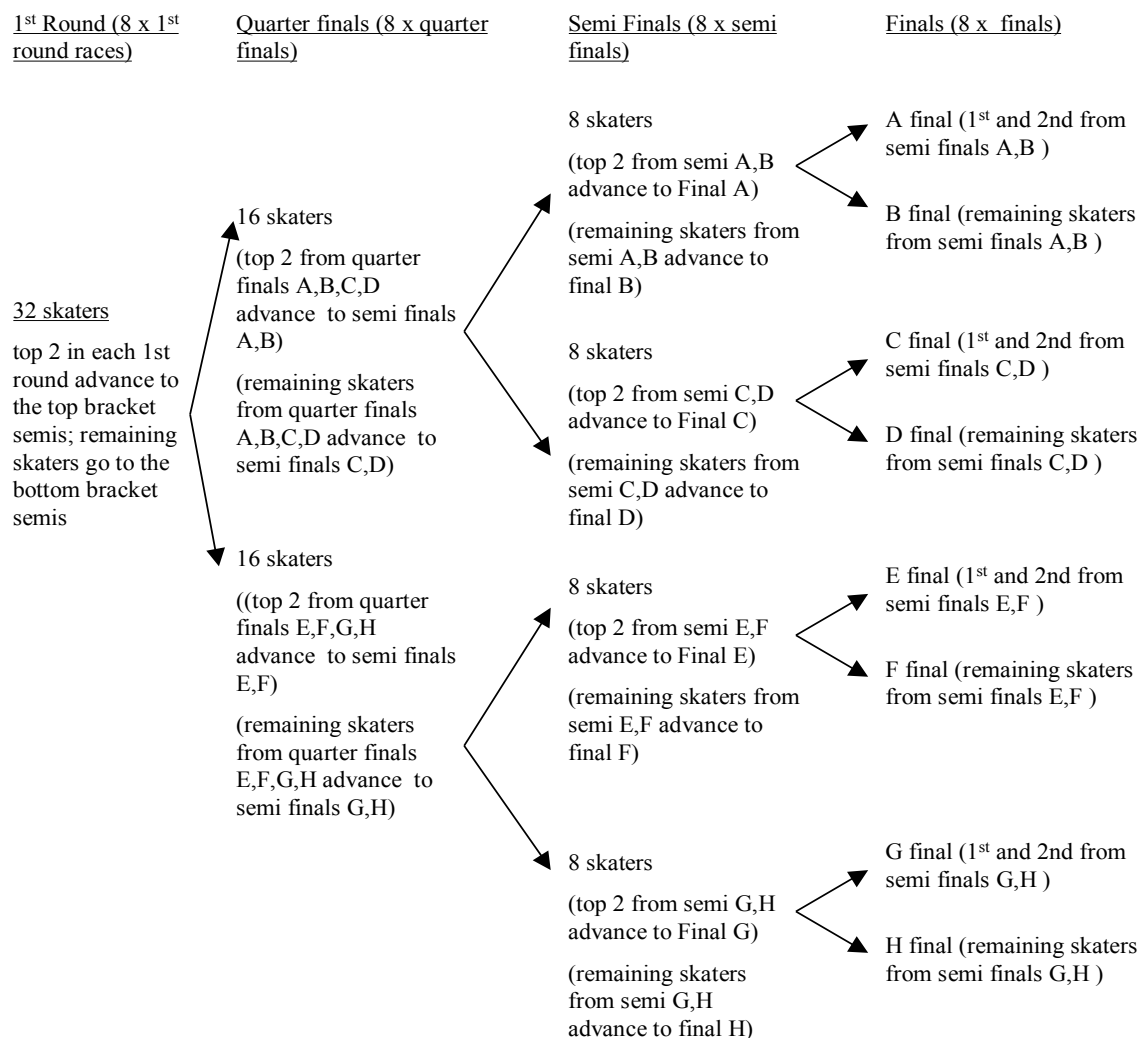

Team A – 1, 6, 7, 12

Team B – 2, 5, 8, 11

Team C – 3, 4, 9, 10

Team D - World Junior Championship Team

## Progression chart for 500m and 1000m races

### **3000m**

The 3000m will consist of 2 finals. Skaters ranked 1-8 in cumulative ranking points after the 1000m will skate in final A. Skaters ranked 9-16 in cumulative ranking points after the 1000m will skate in final B. In case of a tie for the 8<sup>th</sup> or 16<sup>th</sup> place, the tied skaters will skate in final A or final B respectively.

A premium of points will be awarded for the skater crossing the finish line first after 9 laps.

During the 3000m, if a skater in contention for a final combined ranking within the top three of the competition (based on 20% of Fall World Cup Selections overall points & 80% Canadian Open Championships cumulative ranking) is taken out of the race (due to a fall or major interference) resulting in a penalty for another skater, the referee may stop the race and begin again without the penalized skater, regardless of how many laps remain in the race. If an athlete is penalized once the race is complete, and this athlete has created a major interference with a skater in contention for a final ranking within the top three of the competition, the referee must restart the race without the

penalized skater if the skater who was interfered with is still able to skate. Should the skater who was interfered with not be able to skate, the race will not be restarted and the results of the race (including the penalization) will hold. The number of laps for the restart, depending where the referee stops the race, is as follows:

<u>Laps remaining</u>	<u>Laps for restart</u>
27 – 18	27
18 – 0	18

If the 3000m race is stopped by the referee, and if a skater(s) has/have established a one-lap lead with respect to the main group, skaters that have been lapped will skate one (or more) additional lap(s) than the lead skater(s).

### **Ranking Points:**

Skaters earn ranking points during the finals races for each distance as follows:

a) The ranking points for the first 1500m are as follows:

<b>Finals</b>	<b>1st</b>	<b>2nd</b>	<b>3rd</b>	<b>4th</b>	<b>5th</b>	<b>6<sup>th</sup></b>	<b>7th</b>
Final A	1000	816	666	543	443	362	
Final B	295	241	196	160	130	106	
Final C	86	70	57	46	37	30	
Final D	24	19	15	12	9	7	5
Final E	4	3	2	1.5	1	.5	0

b) The ranking points for the 500m and 1000m are as follows:

<b>Finals</b>	<b>1st</b>	<b>2nd</b>	<b>3rd</b>	<b>4th</b>
Final A	1000	816	666	543
Final B	443	362	295	241
Final C	196	160	130	106
Final D	86	70	57	46
Final E	37	30	24	19
Final F	15	12	9	7
Final G	5	4	3	2
Final H	1.5	1	.5	0

c) The ranking points for the 3000m are as follows:

<b>Finals</b>	<b>1st</b>	<b>2nd</b>	<b>3rd</b>	<b>4th</b>	<b>5th</b>	<b>6<sup>th</sup></b>	<b>7<sup>th</sup></b>	<b>8<sup>th</sup></b>
Final A	500	408	333	272	222	181	148	121
Final B	98	80	65	53	43	35	29	23

**Note** a premium of 74 points will be awarded to the athlete crossing the line first following the first nine laps of the 3000m distance in Final A. This represents the same percentage provided at the ISU World Championships (5 points premium for 34 total points: 74 points premium for 500m total points). The same percentage of points will be awarded to the athlete crossing the line first following the first nine laps of the 3000m distance in Final B according to the top points available in Final B (15 points if 8 skaters in the A final, 12 points if 9 skaters in the A final).

If there are more than 4 athletes in a 500m or 1000m final or more than 6 in a 1500m final, the points of the 5<sup>th</sup> place, 6<sup>th</sup> place etc, will be the points of the 1<sup>st</sup> place, 2<sup>nd</sup> place, etc. of the following final. The rest of the points will then be adjusted accordingly.

### **Advancement**

Advancement will be in accordance with the ISU World Cup procedures. In brief, advanced skaters will receive seeding points as per their finish in the race from which they were advanced, and will be seeded into the next round of racing on the basis of these seeding points. Advanced skaters will not be seeded in any specified order; instead, their ranking after the previous round will determine which race they are seeded into for the subsequent round.

## **2- Competition Format: National Team Selections #2**

The format for these competitions is as follows:

Day 1: 1500m

Day 2: 500m

Day 3: 1000m, 3000m, 3000m relay women, 5000m relay men

### **Seeding for first round**

#### **1500m**

Skaters will be seeded for the first round of the 1500m distance based on their ranking position in the 1500m at the 2013 Canadian Open Championships. In the event of a tie, the skater with the best time will be placed higher in the ranking.

#### **500m**

Skaters will be seeded for the first round of the 500m distance based on the average of their ranking position in the 500m at the 2013 Canadian Open Championships and their ranking in the 1500m at the 2013 National Selections #2. In the event of a tie, the skater with the best time in the 500m at the Canadian Open will be placed higher in the ranking.

#### **1000m**

Seeding for the first round of the 1000m will be made on the basis of the cumulative ranking from the 1500m and 500m distances at the 2013 National Selections #2. In the event of a tie, the skater with the fastest total time from the 1500m and 500m distances will be placed higher in the ranking.

**PLEASE NOTE:** the HPCST reserves the right to adjust seeding for all competitions to ensure the most fair and appropriate racing conditions for athletes who do not have a 2011 / 12 Canadian ranking or were not able to participate in all National Selection competitions from the 2011 / 12 and 2012 / 13 seasons.

### **Ranking Points:**

Skaters earn ranking points during the finals races for each distance as follows:

a) The ranking points for the first 1500m are as follows:

<b>Finals</b>	<b>1st</b>	<b>2nd</b>	<b>3rd</b>	<b>4th</b>	<b>5th</b>	<b>6th</b>
Final A	1000	816	666	543	443	362
Final B	295	241	196	160	130	106
Final C	86	70	57	46	37	30
Final D	24	19	15	12	9	7

b) The ranking points for the 500m and 1000m are as follows:

<b>Finals</b>	<b>1st</b>	<b>2nd</b>	<b>3rd</b>	<b>4th</b>
Final A	1000	816	666	543
Final B	443	362	295	241
Final C	196	160	130	106
Final D	86	70	57	46
Final E	37	30	24	19
Final F	15	12	9	7

If there are more than 4 skaters in a 500m or 1000m final or 6 in a 1500m final, the points of the 5<sup>th</sup> place, 6<sup>th</sup> place etc, will be the points of the 1<sup>st</sup> place, 2<sup>nd</sup> place, etc. of the following final. The rest of the points will then be adjusted accordingly.

### **Composition of the Heats (1500m)**

		<b>1500m Heats</b>			
<b>Distance seeding</b>	<b>A</b>	<b>B</b>	<b>C</b>	<b>D</b>	
	1	2	3	4	
	8	7	6	5	
	9	10	11	12	
	16	15	14	13	
	17	18	19	20	
	24	23	22	21	

If starting numbers are reduced from 24, the High Performance Jury (High Performance Committee Chair and/or High Performance elected members in attendance and Short Track Program Director) will determine the most suitable number of heats to ensure the most fair racing conditions.

### **Composition of the Semi-finals (1500m)**

The top 3 skaters from each of the 4 heats will be seeded into the top 2 semi-finals (A, B; final rank 1-12 or lower depending on the number of advancements in the heats) on the basis of a ranking derived from ISU seeding points. Ties will be broken by referring to the times skated in the heats; the fastest time among those tied in points will be seeded highest and so on. If there is still a tie then the skater with the highest original seeding for the distance will be seeded highest and so on. Any further ties will be broken by lot.

The remaining skaters from the 4 heats will be seeded into the next 2 semi-finals (C, D; final rank 13-24) on the basis of a ranking derived from ISU seeding points. Ties will be broken by referring to the times skated in the heats; the fastest time among those tied in points will be seeded highest and so on. If there is still a tie then the skater with the highest original seeding for the distance will be seeded highest and so on. Any further ties will be broken by lot

### **Semi-Finals 1500m**

	Semi-finals top bracket		Semi-finals bottom bracket	
	A	B	C	D
Rank from 1 <sup>st</sup> round	1	2	13	14
	4	3	16	15
	5	6	17	18
	8	7	20	19
	9	10	21	22
	12	11	24	23

### **Composition of the Finals (1500m)**

Final A: Top 3 from Semi A and Semi B  
 Final B: Remaining skaters from Semi A and Semi B  
 Final C: Top 3 from Semi C and Semi D  
 Final D: Remaining skaters from Semi C and Semi D

### **Composition of heats for 500m and 1000m**

	Heats 500m & 1000m					
	A	B	C	D	E	F
Ranking from 1500m	1	2	3	4	5	6
	12	11	10	9	8	7
	13	14	15	16	17	18
	24	23	22	21	20	19

If starting numbers are reduced from 24, the High Performance Jury (High Performance Committee Chair and/or High Performance elected members in attendance and Short Track Program Director) will determine the most suitable number of heats to ensure the most fair racing conditions.

### **Composition of the Quarter-finals (500m, 1000m)**

The top 2 skaters from each of the 6 heats plus the 4 fastest 3<sup>rd</sup> place finishers will be placed into the top 4 quarterfinals (A, B, C, D; final rank 1-16 or lower depending on the number of advancements in the 1<sup>st</sup> round) on the basis of a ranking derived from ISU seeding points from the 1<sup>st</sup> round. Ties will be broken by referring to the times skated in the 1<sup>st</sup> round; the fastest time among those tied in points will be seeded highest and so on. If there is still a tie then the skater with the highest original seeding for the distance will be seeded highest and so on. Any further ties will be broken by lot.

Note: All other skaters [final rank, 17 (or lower depending on advancements from the 1<sup>st</sup> round) – 24] will proceed directly to the semi-finals

### Quarter-finals 500m & 1000m

Rankings from heats 500m & 1000m	Quarter-finals			
	A	B	C	D
	1	2	3	4
	8	7	6	5
	9	10	11	12
16	15	14	13	

### Composition of the Semi-finals (500m & 1000m)

The top 2 skaters from each of the 4 quarter-finals will be placed into the top 2 semi-finals (A, B; final rank 1-8 or lower depending on the number of advancements in the quarter-finals) on the basis of a ranking derived from ISU seeding points from the heats and quarter-finals. Ties will be broken by referring to the times skated in the quarter-finals; the fastest time among those tied in points will be seeded highest and so on. If there is still a tie then the skater with the highest original seeding for the distance will be seeded highest and so on. Any further ties will be broken by lot.

The remaining skaters from each of the 4 quarter-finals will be placed into the next 2 semi-finals (C, D; final rank 9-16 or lower depending on the number of advancements in the heats) on the basis of a ranking derived from ISU seeding points from the heats and quarter-finals. Ties will be broken by referring to the times skated in the quarter-finals; the fastest time among those tied in points will be seeded highest and so on. If there is still a tie then the skater with the highest original seeding for the distance will be seeded highest and so on. Any further ties will be broken by lot.

The remaining skaters from the heats will be placed into the last 2 semi-finals (E, F; final rank 17-24) on the basis of a ranking derived from ISU seeding points from the heats. Ties will be broken by referring to the times skated in the heats; the fastest time among those tied in points will be seeded highest and so on. If there is still a tie then the skater with the highest original seeding for the distance will be seeded highest and so on. Any further ties will be broken by a coin toss.

### Semi-finals 500m & 1000m

Rankings from quarter finals + heats 500m & 1000m	Semi-finals					
	A	B	C	D	E	F
	1	2	9	10	17	18
	4	3	12	11	20	19
	5	6	13	14	21	22
8	7	16	15	24	23	

### Composition of the Finals (500m & 1000m)

- Final A: Top 2 from Semis A and B
- Final B: Remaining skaters from Semis A and B
- Final C: Top 2 from Semis C and D
- Final D: Remaining skaters from Semis C and D\*
- Final E: Top 2 from Semis E and F
- Final F: Remaining skaters from Semis E and F

\* If there are more than 6 skaters in Final D, a Final D-2 will be held, containing the 5<sup>th</sup> and 6<sup>th</sup> place finishers in Semi-finals C and D. This is to prevent too many skaters in Final D.

### **3000m**

The 3000m will consist of 2 finals. Skaters ranked 1-8 in cumulative ranking points after the 1000m will skate in final A. Skaters ranked 9-16 in cumulative ranking points after the 1000m will skate in final B. In case of a tie for the 8<sup>th</sup> or 16<sup>th</sup> place, the tied skaters will skate in final A or final B respectively.

A premium of points will be awarded for the skater crossing the finish line first after 9 laps.

During the 3000m, if a skater in contention for a place on the national team (top 8, including World Championship Team) is taken out of the race (due to a fall or major interference) resulting in a penalty for another skater, the referee may stop the race and begin again without the penalized skater, regardless of how many laps remain in the race. If an athlete is penalized once the race is complete, and this athlete has created a major interference with a skater in contention for a final ranking within the top eight of the competition, the referee must restart the race without the penalized skater if the skater who was interfered with is still able to skate. Should the skater who was interfered with not be able to skate, the race will not be restarted and the results of the race (including the penalization) will hold. The number of laps for the restart, depending where the referee stops the race, is as follows:

<u>Laps remaining</u>	<u>Laps for restart</u>
27 – 18	27
18 – 0	18

If the 3000m race is stopped by the referee, and if a skater(s) has/have established a one-lap lead with contact to the main group, skaters that have been lapped will skate one (or more) additional lap(s) than the lead skater(s).

### **Ranking Points:**

Skaters earn ranking points during the finals races for each distance as follows:

a) The ranking points for the first 1500m are as follows:

<b>Finals</b>	<b>1st</b>	<b>2nd</b>	<b>3rd</b>	<b>4th</b>	<b>5th</b>	<b>6<sup>th</sup></b>	<b>7th</b>
Final A	1000	816	666	543	443	362	
Final B	295	241	196	160	130	106	
Final C	86	70	57	46	37	30	
Final D	24	19	15	12	9	7	5
Final E	4	3	2	1.5	1	.5	0

b) The ranking points for the 500m and 1000m are as follows:

<b>Finals</b>	<b>1st</b>	<b>2nd</b>	<b>3rd</b>	<b>4th</b>
Final A	1000	816	666	543
Final B	443	362	295	241
Final C	196	160	130	106
Final D	86	70	57	46
Final E	37	30	24	19
Final F	15	12	9	7
Final G	5	4	3	2
Final H	1.5	1	.5	0

c) The ranking points for the 3000m are as follows:

<b>Finals</b>	<b>1st</b>	<b>2nd</b>	<b>3rd</b>	<b>4th</b>	<b>5th</b>	<b>6<sup>th</sup></b>	<b>7<sup>th</sup></b>	<b>8<sup>th</sup></b>
Final A	500	408	333	272	222	181	148	121
Final B	98	80	65	53	43	35	29	23

**Note** a premium of 74 points will be awarded to the athlete crossing the line first following the first nine laps of the 3000m distance in Final A. This represents the same percentage provided at the ISU World Championships ( 5 points premium for 34 total points: 74 points premium for 500m total points). The same percentage of points will be awarded to the athlete crossing the line first following the first nine laps of the 3000m distance in Final B according to the top points available in Final B (15 points if 8 in final A, 12 points if 9 in final and so on).

If there are more than 4 skaters in a 500m or 1000m final or 6 in a 1500m final, the points of the 5<sup>th</sup> place, 6<sup>th</sup> place etc, will be the points of the 1<sup>st</sup> place, 2<sup>nd</sup> place, etc. of the following final. The rest of the points will then be adjusted accordingly.

### **Composition of relay teams.**

The top 16 ranked skaters following the 3 distances of each competition will be eligible to compete in the relay event.

The relay teams will be composed on the basis of rankings as follows:

Team A – 1, 8, 9, 16

Team B – 2, 7, 10, 15

Team C – 3, 6, 11, 14

Team D – 4, 5, 12, 13

If any skater from the top 16 withdraws, the next skater will be selected.

## **2012 / 13 Canadian Rankings**

For the purposes of determining a final overall Canadian Ranking, the original athletes selected to the 2013 World Championships Team will be ranked 1 to 5 in order of their selection to that Team. If the alternate selected for the Team participates at the World Championships, s/he will be ranked 6<sup>th</sup>.

For the remainder of athletes, Canadian ranking will be determined from the cumulative ranking points from the Canadian Open Championships and National Team Selections #2 (adjusted for any Bye Requests). The two competitions will be weighted as follows:

Canadian Open Championships =	55 %
National Team Selections #2 =	45 %

In the event that 2 or more athletes achieve the same ranking after two competitions, the cumulative ranking from the Canadian Open Championships will be used to determine the priority for Canadian Rankings. If athletes are still tied, the best result in an individual distance at the Canadian Open Championships will be used to separate the athletes.

Individual distance rankings will also be determined using the same weighting of distances:

Canadian Open Championships =	55%
National Team Selections #2 =	45%

Athletes selected to the 2013 World Championships team will have the same Canadian Ranking for individual distances as earned at the Canadian Open Championships. The ranking for these athletes will not be affected by that of other athletes who participated at the National Selection #2, however may be affected by athletes receiving a bye.

## **2012 / 13 Short Track Skater of the Year / Rising Star**

Speed Skating Canada announces at the Annual General Meeting each year a Male and Female Short Track Skater of the Year. The HPCST will determine the winner of the awards with consideration of all performances throughout the current season including World Championships, World Cups and National Competitions.

Speed Skating Canada may also announce at the Annual General Meeting, a "Rising Star" award. The HPCST will determine the winner of the award with consideration of all performances throughout the current season including World Championships, World Cups and National Competitions.

# Appendix A

## ***GUIDELINES FOR THE ALLOCATION OF BYES***

### **1. Purpose**

To provide guidelines to the High Performance Committees in the granting of Byes.

### **2. Philosophy for allocation of byes**

Due to exceptional circumstances (e.g. illness, injury, equipment break, etc) and through no fault of their own, an athlete sometimes does not have the opportunity to compete in the nominated selection event/s. In this situation the athlete is eligible to apply for a Bye for selection to the relevant team.

The basic philosophy for selecting an athlete by granting a Bye is that the athlete given the Bye has demonstrated superior performances in previous competitions to one or more athlete or athletes being considered for selection.

### **3. Rules for requesting a bye**

The Bye Policy Clause will only apply to selection for specific competitions / events or Teams. The Bye Clause will not apply for nominations by SSC to Sport Canada's Athlete Assistance Program. In the case of a major injury, the AAP Injury Card procedures will be implemented to handle this situation.

- a) Bye requests must be made in writing to the HPCST (see deadlines below)
- b) Unless physically incapable, only the athlete requesting the Bye can submit the request.
- c) If the Bye request is made on the basis of an illness or injury, the skater must provide documented evidence from a sports medicine practitioner of the illness or injury. The HPC has the right to request, and the athlete will provide, further independent medical review after the Bye request has been submitted.
- d) If the Bye request is made on the basis of equipment breakage, this must be reported to and verified by the race referee or HPC representative immediately following the race in which the equipment breakage occurred.

### **4. Conditions for applying for a Bye**

Bye requests will be considered in three categories:

- a) *Pre-competition illness or injury that prevents an athlete from competing in the competition*

If the athlete is ill or injured before the beginning of the competition, he/she must request a Bye **before the Coaches' meeting** at the competition. The HPC Representative must formally announce all Bye requests at this meeting so that all other competitors are made aware of the possibility of a Bye being granted.

b) *Injury, illness or equipment breakage during the competition*

A Bye request must be made **within 24 hours** following the final day of the competition unless the skater is physically incapable of making this request (in such a case, the skater's coach may make the request).

(See clause 3d above for the reporting requirements for equipment breakage)

**Specific to categories a) or b):**

In the case of selection being based upon a cumulative ranking from multiple competitions, a skater is eligible to apply for a Bye request to a subsequent event if s/he was prevented from competing in one of the qualifying events due to an illness or injury.

c) *Bye request to a specific National Team or Development Team or to the entry field of a competition (Fall World Cup Selections, National Qualifier, etc.) for the season following the selection competition (s)*

The Bye must be requested **within 48 hours** following the final day of the final selection competition.

**In all categories:**

The Bye request **must state clearly** what the skater is asking for, and provide supporting documentation (medical, race report, referee report etc).

**6. Process for reviewing a Bye application**

The following outlines the process for considering Bye requests.

- a) Following the final selection competition for the respective Team or competition, the 3 elected members of the HPCST will review the facts and make a decision.
- b) The Bye Point system will be used for head-to-head comparison of athletes in the national ranking. The point system will not be applicable for an entry field of any national competition.
- c) In cases where multiple Bye applications are submitted they will be assessed individually and on their own merit.
- d) The HPCST will name the Team or entry field for a competition which will be communicated, along with the supporting rationale, to the athlete/s requesting the Bye, athlete/s directly affected by the Bye request, the coaches, and athletes' representatives.

**7. Conditions for Granting a Bye**

When considering whether or not to grant a bye, the HPCST must first evaluate the medical condition of the athlete, the degree to which the athlete has followed the prescribed rehabilitation

process, and his/her readiness to compete according to feedback received from the medical team and his/her coaches. If any of the above conditions are not at a level satisfactory to the HPCST, the Bye may be refused on this basis alone.

Following this preliminary analysis, the HPCST will assign Bye Points on the basis of competition results from the last 12 months using the Bye Point System noted below. These points will be assigned to all skaters in the ranking and those requesting the Bye.

The points of the athlete requesting the bye will be compared against the points of the first athlete in the selection event ranking list not already selected to the team in Step 1 for the respective competition. For the World Championship Team, Step 1 is detailed on page 6 to include the top 3 athletes based on results of cumulative overall rankings from the Canadian Open Championships. For the World Cup 5 and 6 Team, Step 1 also is detailed on page 7 to include the top 3 athletes based on results of cumulative overall rankings from the Canadian Open Championships.

If the athlete requesting the bye has at least 5 more points than the athlete in the ranking list, that athlete will be inserted above the other athlete in the ranking. If not, the athlete requesting the bye will be compared to the next athlete in the list in the same fashion until they are appropriately placed within the adjusted final selection ranking.

When more than one Bye has been requested for a given Team/competition, the Bye from the athlete with the highest Bye Points will be considered first.

## POINT GRID

Ranking	FULL POINT GRID*									
	Fall WC Selection	WC 1	WC 2	WC 3	WC 4	Canadian Open	WC 5	WC 6	World Champ	Selection # 2
1	16	10	10	10	10	16	10	10	20	6
2	14	7	7	7	7	14	7	7	16	5
3	12	5	5	5	5	12	5	5	14	4
4	10	3	3	3	3	10	3	3	12	3
5	8	2	2	2	2	8	2	2	10	2
6	6	1	1	1	1	6	1	1	8	1
	Best 2	Per distance				Overall	Per distance			Overall

### Notes

1. National events: Points allocated based on the ranking defined for each specific competition. For example, overall as per Canadian Open or best 2 distances as per Fall WC Selection.
2. International events: Points will be allocated for each distance but **only the best 3** world cups during the period will be considered (3000m will not be considered.)
3. An additional 6 points will be allocated to each world championship team member in order to give them the same number of points as the winner at selection #2.

Bye Requests to an entry field for a competition will not utilize the Bye Point system, rather in making the decision the HPCST will evaluate a number of elements including the following:

- a) Head-to-head competition results of the athletes being considered for selection.
- b) Past performances of the skater requesting the Bye,
- c) Results of the selection competition (s) (by skaters in contention for the team),
- d) Recent training and testing performances
- e) Current world rankings of the athletes
- f) Long Term Athlete Development

In some cases, the HPC may award a "Conditional Bye" to skaters recovering from injury or illness. In this situation the skater may have certain conditions imposed. The HPC should be provided confirmation (medical or other, if not a medical problem) that there is no significant physical/psychological limitation to competition. The HPCST must also receive assertion from the coach that the athlete is ready to compete at the appropriate level for the competition in question. The HPCST will specify the date on which the performance and medical assessment will be evaluated.

## **8. Appeals**

Following the announcement of the Team or entry field for a competition where appropriate, any athlete/s affected by the Bye request decision has/have the opportunity to appeal this decision in accordance with the Speed Skating Canada Appeal Policy. (refer to SSC Appeals Policy RES 100)

Approved by the High Performance Committee Short Track on October 5, 2000.  
Revision: November 2012
