

Head Coach - Speed Skating

The West Island Cyclones aren't just a club—we are a big speed skating family! We're looking for a passionate coach to join our tight-knit community and share their expertise. At the Cyclones, every skater is family, and we are committed to providing them with the best possible training to help our community thrive.

Our culture is built on five core values:

Passion for speed skating • Performance through consistency and healthy habits • Sportsmanship-based friendship • Team spirit • Discipline, punctuality, and hard work

Position Overview

As the technical leader, the Head Coach oversees athlete development, seasonal planning, coaching leadership, and competition preparation. They ensure all programs align with the sport's standards as well as the club's mission and values.

Key Responsibilities

Athlete Development & Coaching

- Design and deliver training programs aligned with SSC's LTPAD model.
- Coach competitive and high-performance skaters, guiding them toward their full potential.
- Ensure all training reflects our core values.

Program Leadership

- Oversee the development and the implementation of our on/off-ice programs and maintain consistent coaching standards.
- Mentor assistant coaches and monitors to strengthen our team.
- Coordinate athlete evaluations and track development progress.
- Foster a safe, inclusive, and supportive environment for our family.

Competition & Events

- Prepare and coach athletes at competitions as required.
- Partner with the Board and volunteers on club events, camps, and activities.

Administration & Communication

- Partner with the Board on scheduling, program structure, and long-term planning.
- Maintain clear, consistent communication with athletes and their families.
